BuildBox 3.3.6 Build 1315 (x86x64) Incl Activator .rarl

Download

The LEGO Ninjago Hero set contains more than 1,000 pieces, so you will need to build the entire Ninjago set in order to complete the instructions. The kit comes with the figures, but you may want to buy extra parts such as masks, swords, weapons and accessories that allow you to build the entire set. It is recommended that you build the box before you build the Ninjago set. Gallery: Contact FAQ Forum & Marketplace. SoundCloud:
