If you prefer to jump straight to the section you want, simply select the link at the top of this guide. DESCRIPTION The End Of The World As We Know It (eoWAKA) is a dystopian franchise with a rich mythology surrounding the disastrous events surrounding its release, and the change in humanity that will occur as a result. To date, there are three main series, End of World A.D., End of the World, and End of the World for PlayStation 3. End of the World A.D. has, at a stretch, five full-fledged games set in and around the world of End of the World. The A.D. series is named after the date of the world's ending in the game's fictional future, where the world has been devastated by nuclear war, and mankind is now struggling to repopulate the planet.

within the . or compressed archive (I did not use.Q: How to correctly add a "comment" column to a MySQL table? I am trying to add a "comment" column to the following table: +----+-----+-----+-----+ | id | phonenr | name | sex | +----+-----+-----+-----+ | 1 | 12345 | Daniel | male |

I tried the following: ALTER TABLE my_table ADD comments TEXT NOT NULL COMMENT 'comment about this thing'; But the values are being saved as: +----+-----+-----+-----+ | id | phonenr | name | sex | +----+-----+-----+-----+ | 1 | 12345 | Daniel | male | +----+-----+-----+-----+ | 1 | 12345 | Daniel | male |

But I'd like it to save as: +----+-----+-----+-----+ | id | phonenr | name | sex | +----+-----+-----+-----+ | 1 | 12345 | Daniel | male | +----+-----+-----+-----+ | 1 | 12345 | Daniel | male | +----+-----+-----+-----+ | 1 | 12345 | Daniel | male |

What do I need to do in order to save it as I'd like it to be saved? A: You should try to add the comment as type VARCHAR with a COLLATE that is not binary so that you are not able to store comments containing binary data. ALTER TABLE my_table ADD comments VARCHAR(400) NOT NULL COLLATE latin1_general_cs COMMENT 'comment about this thing'; Studies edd6d56e20
