RPG a unique fantasy action game development of GREE! It is a game that combines a fantasy action game with an RPG. Here is the story of something that happened long ago in the Lands Between. A great war broke out between the Dark Kingdom and the Elden Kingdom, and all of the people in the Lands Between were forced to battle and form armies. The Elden Kingdom was ruled by Princess Eelyn, who desired to fight against the Dark Kingdom. Then a rumor of the Dark Kingdom's existence burst out. Suddenly, two figures of indescribable, eerie power appeared from the wilderness. They are Elden Lords of the Elden Rings, and they will be the object of your affection. Your actions will determine the path taken by the Elden Ring. However, whether you are a hero or a villain, the path that will lead to your own transformation is left to your imagination.

Chapter 1: The Beginning of a New Game A new story about characters to rise, light to shine, and a new tale that tells of the Endless Twilight! Before the great war started, the Elden Kingdom, ruled by Princess Eelyn, was situated in the Lands Between. Meanwhile, a great and mysterious war started, in which they fought in a battle against the Dark Kingdom. In order to win this battle, the Elden Kingdom established a war party and went out into the lands around it. Like the first biddable by Princess Eelyn, someone he liked appeared from the

wilderness. It was a mysterious and powerful figure, and he was an Elden Lord of the Elden Ring. As you move forward through time, you will get to know about this new Elden Ring that has appeared! Chapter 2: New Game Introduction: "Asura's Dawn" A new game is born! The world of a new story begins! The world where the Elden Ring has entered! The kingdom's commanding officials had no hopes for the Elden Ring appearing in the world, or any hopes for it surviving. Then, a legendary weapon appeared in the wilderness, and it took the form of a mysterious and powerful figure. The Elden Ring, which was made by destroying the precious weapons in the legendary fight between the Elden and the Dark Kingdom, had come into this world. At that time, the Elden Kingdom came into conflict with the Dark Kingdom.

"He burned his father's body alive, in the center of a pyre." "It was a great sacrifice." "The heat of the fire is the same as he would have felt after so many days of suffering, at the

hands of his people, at the hands of Satan." "Abraham had seen all the innocent blood of the land of Canaan." "And he had decided he did not want his child to witness that." "My son, you must avoid seeing all the innocent blood your land will have to swallow." "Abraham's son would not have to repeat his father's sacrifice." "Your siblings would simply die." "And your blood would spread over the earth." "On my son's skin, I..." "I had blood which was mine... you struck it away." "By fire!" "It seems we are about to find out if Abraham was right." "We're ready to go in, sir." "I suppose we need some sort of an excuse to really be ready." "I think we're gonna be having some rain." "Very well." "Let us close the doors of the house, and pray for the safety of our men, in the name of Jesus Christ, our Lord and Savior." "Amen." "Go ahead." "Go on." "Hey!" "There you go." "Don't leave me behind." "Go." "Come on." "Go." "Please don't leave me, I..." "I have to." "No." "No, no, no." "No." "I have to, I'm supposed to." "I can not."
