I don't know if I'll get to it all before the end of the year, but I want to wish a happy birthday to Jerry Corrigan, a.k.a. Mr. C, who has been an inspiration to me all these years. He does the work, I just write about it. And, unlike others, I hope to get so sick that I can't do anything for a few days. I'm already so worn out that I can't even watch my favorite comedian. When the Chinese used their incentive currency to shrink the U.S. market, they knew that the Americans would not sit idle. When the Saudis turn a blind eye to other oil producers in the Gulf, and their lack of leadership forces us to withdraw from Iraq, they will have to answer to the world. "The doctrine of retreat from trouble is about to be tested, and if it doesn't work for the oil producers, it won't work anywhere. "Many
