The Royal Canadian Mint has announced the launch of its new “Genesis” series of gold and silver coins, featuring both Canadian and international iconic figures including Marco Polo, King Tut, Robert E. Lee and Shakespeare. The Royal Canadian Mint said the coins join the “Monarchy” and “Canada” series of bullion coins that have been produced since 2009. The new “Genesis” coins will be exclusive to collectors and investors. “We already have a string of beloved Canadian and international coins that have been minted for the love of minting, and we’ve been excited for the launch of this new series,” said Jody McKay, senior vice-president at the Royal Canadian Mint. “Our intent for the new ‘Genesis’ series is to offer only exceptional quality, most notably in design and production.
