Jun 25, 2557 BE - Here's a blog post with all the links you need: a revival ISO torrent, a Win7 installer, and a link to win32help: I've seen a lot of questions that deal with this topic, but they don't seem to work for me. Anywhere I can download the Windows 7 Enterprise installer, I get an error message: "The specified application is not found. Check the name (see above for any other application) or enter the correct program to start installation. Error code: -2140965" I even downloaded the iso file and used the following wizard: [Link] <http://www.microsoft.com/download/en/details.aspx?id=53579>
